PROFESSIONAL SUMMARY

Personable and passionate front end and back-end developer with a background in sales and customer service and a full stack certificate from *UCF.* Honed my skills in Node.js, Axios, Express, Handlebars, SQL, JavaScript, CSS, HTML, to develop meaningful server-side applications. Collaborate and work with a team while solving problems in high-stress environments. An articulate individual who enjoys connecting with co-workers and is passionate about building applications that assist people to make their lives easier. Looking to bring my attention to detail and technical skills to a company to grow and become a valuable asset.

TECHNICAL SKILLS

Languages: JavaScript ES6+, CSS3, HTML5, SQL, NoSQL

Applications: GitHub, MongoDB, MySQL

Tools: Express, React, Node, Handlebars, Query, Bootstrap
